

THE FUTURE

THE FUTURE

- A new web site called MyErickson will make its debut soon here at Ann's Choice. This was developed and built by Erickson Living and is now installed in some other Erickson communities.

What will happen?

- As the new site adds functions, they will be removed from our current site – no duplication. Example – once the flex meal calculation is available on the new site, it will be taken off the current one.
- There will be a link back and forth so we will all have access to all of the information.
- You will need a new sign-on and password for the new site. We will help with that.

Direct Link between the two web sites

At this time, it is expected that some residents of Ann's Choice will be on a steering committee to participate in the direction of the new Ann's Choice MyErickson site.

The maintenance and upkeep of the new MyErickson site will be done by staff personnel.

If the Ann's Choice steering committee decided to add a function to the MyErickson site, we would need approval from all other Erickson communities. For example, if we 'asked' for a section for Buy/Sell, similar to the one we now have, it is possible that it would not be able to be placed on the new site – if so, we will continue it on the current one.

All of this is still evolving. Stay tuned.

This should be a good thing for us.
More info, more up to date.

What will eventually happen to our current resident web site –

?

Do we need two web sites?

- There are many features and functions that exist on our current site, example ordering take out meals, that may never be on the new site.
- We may try to move it towards a more personal site, with resident bios, pictures, interests, etc. so we could all know who our neighbors are.
- Not sure yet.

For now, we will continue our current resident web site until the new MyErickson web site comes on board.

We will help as much as we can to make this a success.

We will make decisions later on how to proceed with our current site.

We could always use help. If you see anything out of date, incorrect, etc., please let one of us know.

If you have any suggestions, ideas, comments, even criticisms, please let us know.

Thank you
