Catholic Council Member—Barbara Masonis

I am one of the newer members of the Catholic Council. Born in Wilkes-Barre, Pennsylvania in 1940 into a family of four consisting of an older brother and two older sisters. I attended Marymount Catholic Grade School and graduated from its High School in 1958. My higher education spanned a number of years and included a Bachelor's degree and a Master's degree from The College of New Jersey formerly Trenton State College. Additionally, I completed the course work for a Doctorate in Education at Nova Southeastern University.

I married my husband, Ed, in 1962 and moved to Cherry Hill, New Jersey where we resided for four years. Our next move was to West Virginia to allow my husband to complete his research for his Doctoral Dissertation. Our one and only child was born in West Virginia.

My 26 year professional career in Education, which began in 1974, was spent in the West Windsor-Plainsboro School District in New Jersey. Thirteen of those years were in the classroom and 13 years in Administration. My last assignment before retiring was as the Founding Principal of the District's second high school, West Windsor-Plainsboro High School North.

I retired in November of 2000. The first 20 years of retirement were spent at Albemarle Plantation in Hertford, North Carolina. Both my husband and I enjoyed spending time boating and honing our golf game. We were also both active in the Homeowner's Association and our Catholic Church Community. Unfortunately, my husband passed away after 7 years of retirement. I remained in North Carolina for the next 13 years.

In December of 2020, I moved to Ann's Choice and joined the Catholic Council approximately one year later. I have recently become an Extraordinary Minister and I'm delighted to serve our Catholic Community in this capacity. I can also be found playing Bridge, Shuffleboard, Poker and Golf.

Some things to consider.

“The man is a success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of children; who has filled his niche and accomplished his task; who leaves the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who never lacked appreciation of earth’s beauty or failed to express it, who looked for the best in others and gave the best he had.”

- Robert Louis Stevenson

FRIENDS

A friend is someone we turn to when our spirits need a lift.

A friend is someone we treasure, for our friendship is a gift.

A friend is someone who fills our lives with beauty, joy, and grace.

And makes the whole world we live in a better and happier place.

- Jean K. McManus
