October 2020

"Her ways are pleasant ways, and all her paths are peace. She is a tree of life to those who embrace her; those who lay hold of her will be blessed." Proverbs 3:17-18

A life that is guided by God's wisdom puts us on a straight path. Sometimes we have to make a quick or sharp turn away from what we thought was our path, because of a sudden change in our circumstances. These changes can be difficult to bear and can burden us with anger, grief, or disappointment. But if we take the time to appreciate all of the stepping stones that God has placed behind us and ahead of us, we will begin to see our lives from God's view. A life lived obediently and wisely will surely bear much fruit. May you continue to bear good fruit and patiently bear with one another.

Goodbye from Susan!

If you had told me a year ago that the Summer of 2020 would end with my departure from Ann's Choice, I would have called you crazy – that your prophetic radar needed a huge adjustment!

I am looking forward to being more present at home, keeping things running more smoothly as my boys endeavor to attend school virtually, and as my daughter returns home from college at Thanksgiving to finish her semester from home. I believe strongly that education is a wise investment, and I am glad to be able to support my kids and offer them stability at this crucial time in their young lives.

I cannot thank each of you enough for allowing me to serve here for five joyful years. I have grown as a minister in so many ways. Your faith, your affection, and your constant encouragement have inspired me and blessed me beyond words. Thank you! May God bless you richly as you continue to grow and serve in His love. You will forever be in my heart.

~ Susan
