

Dear Bible Study Students,

You remain the reason why Wednesday is my favorite day. Thank you for your willingness to continue learning and growing in faith. Attached is the chart of the structure or pattern we find in Paul's letters (PDF file as well Word file). I hope it is helpful.

Please to read through the whole letter to see how Paul handles the issues in Thessalonika (pastorally, missionally ?).

As always, I look forward to **your observations and questions**, and please never hesitate to **suggest any biblical, theological, or life topics** along the way, even if they are only tangentially related. We can be flexible and take detours on our journey through the Bible. Remember that the unofficial title of our Bible study thus far is "Anything and everything you always wanted to ask about the Bible but were too afraid or busy to ask."

Please see the "[syllabus](#)" [online](#) for where we are headed: [Bible intro 2021-04 Ann's Choice](#) (also attached; printed copies available in front of my office in Resident Life, Liberty Commons).
