- **Spotlight on Mission – Operation Christmas Child**
- In the summer of 1993, Samaritan's Purse President Franklin Graham received a call from a man in England asking if he'd be willing to fill shoeboxes with gifts for children in Eastern Europe. Franklin agreed, but figured Christmas was months away. He forgot about the promise until he received a call back around Thanksgiving asking about the gifts.

• **Spotlight on Mission – Operation Christmas Child**

- Franklin asked his friend, the late Pastor Ross Rhoads of Calvary Church of Charlotte to see if he could help with the need. A Sunday shortly afterward, Pastor Rhoads demonstrated for his congregation how to fill a shoebox with simple gifts and encouraged them to include a letter to the child as well. Within weeks, the church had 11,000 shoeboxes lining their hallways.

• **Spotlight on Mission – Operation Christmas Child**

- Due to their generosity and additional gifts from Canada, Samaritan's Purse sent 28,000 shoebox gifts to children in the Balkans that Christmas.

- A couple of years ago when new carpeting was installed in the chapel, a hearing loop system was installed.
- A T-coil, or telecoil, is a small copper coil in a hearing aid that functions as a wireless antenna that links to the “hearing loop” system.
- It results in significantly improved listening by making speech much clearer.
